EDITORIAL

The year 1966 at the Winkler Bible School has been one of much activity—physical, mental, and spiritual. The aim of this yearbook is to depict all the activities as adequately as possible. We hope that our desire to captivate many of the memories will have been accomplished. Although the work was difficult, and at times even frustrating, we really enjoyed working to produce this publication. The work however, would not have been completed without the special assistance of certain individuals. We would like to express our gratitude to the Rev. John Unger for his guidance as a staff advisor, to Mr. Sawatzky for his photography, to all our advertising patrons, to those who purchased the advertisements, and to those who submitted the candid snaps.

We sincerely hope that the "Morning Star" will provide many moments of enjoyment for those who will relive and recall the days at this institution. For those who have not been with us we trust that you will receive a greater insight into the spirit of our school.

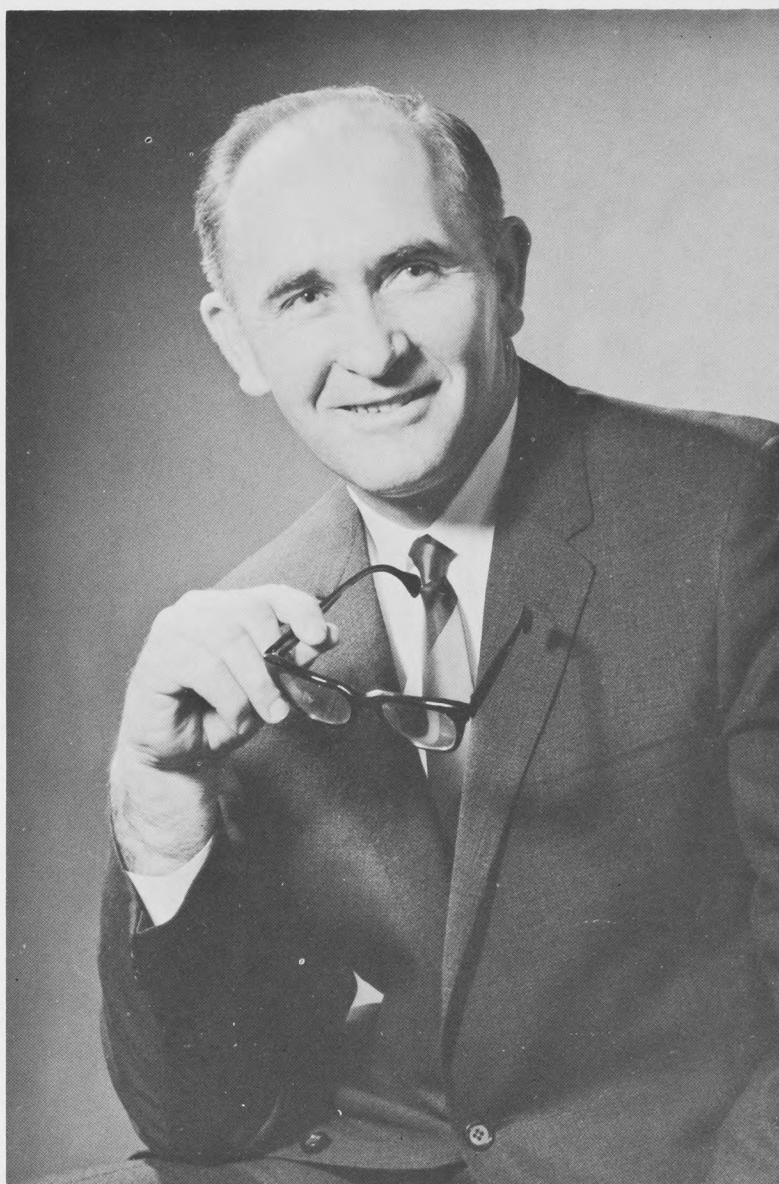

Ingrid Goerz,
Editor.

MESSAGE FROM THE BOARD

Werte Bibelschulfreunde:

In Psalm 119:9 steht geschrieben: „Wie wird ein Jüngling seinen Weg unsträflich gehen?“ Die Antwort: „Wenn er sich hält nach deinen Worten.“

Noch immer ist das Wort Gottes, ausschlag gebend für unsern Pfad durchs Leben! Soll es eine Bedeutung haben, so muss es vom Worte beleuchtet und durchdrungen sein.

Und wenn wir in einer Zeit leben, wo dasselbe nicht mehr als ganze Wahrheit dasteht, wie sollten wir als Konferenz dankbar sein, dass wir hier noch beflüssen sind, die ganze Bibel als Gottes Wort zu lehren, und unsern Studenten das zu geben, das ihnen im späteren Leben einen Halt gewährt und ausrüstet in Familie, Gemeinde oder sonst dem Herrn zu dienen.

Lasst uns dankbar sein für das Werk der Bibelschule! Dankbar, für die Lehrerbrüder, die hier treu und aufopfernd in der Arbeit stehn! Lasst uns weiter die Bibelschule ausbauen und dann schickt eure Söhne und Töchter zur Winkler Bibelschule damit sie etwas aufnehmen für das Innere, das einen bleibenden Wert hat!

Betet für das Ganze!

Im Namen der Schulbehörde,
F. H. Friesen.

"But the Word of our God shall stand forever." Isaiah 40:8.

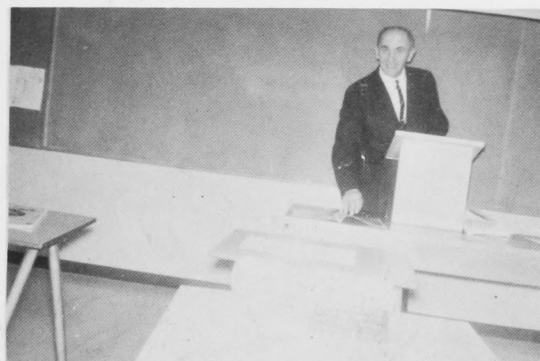

In this time of unprecedented progress and achievement in all the areas of life, the one factor that we are continually aware of is the element of change. Society changes, methods change and values change. However, the Bible says that God does not change (Malachi 3:6), and that His Word will endure forever. His ethical moral standards remain unaltered, His promises are steadfast and His judgments remain true.

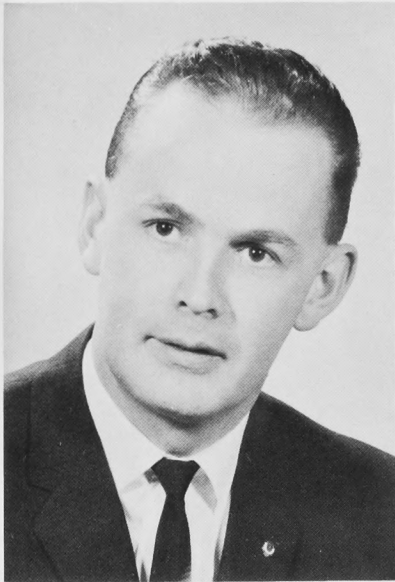

It has been our privilege to study God's Word together. Much Bible knowledge has been acquired by each one of you in your studies. However, Bible knowledge alone is insufficient to effectively witness for Christ. The truth must be appropriated inwardly and it is only then meaningful when it is exercised in our personal life. The need today is for more Christian leaders in whom Christ can work in His ways in the power of the Spirit.

It is my sincere prayer that, in the changing circumstances of your life, your faith in Christ will remain constant, that your love for God and man may abound and that you may be Ambassadors for Christ to be used in His service.

It is with gratitude and appreciation that we welcome the appearance of this new issue of the Morning Star. We commend the Yearbook Committee and all who have been responsible for the production of this annual.

Oh you characters.

Almost 2,000 years ago the Apostle Paul said, "the time is short" (I Cor. 7:29). We are time conscious and yet we must realize that time is not controlled by the calendar or watch. Our time is in God's hand. We must therefore use our time to the best advantage. This makes time spent in the serious study of the Bible worthwhile.

I consider it a real privilege to serve the Lord in the Winkler Bible School. The opportunity to share precious Bible truths with the young people of our churches is a satisfying experience indeed.

Paul, Mr. Doerksen, Charles, Joyce, Dorothy, Mrs. Doerksen.

All about nerves.

Outstanding among the Christian's many relationships is his relationship with God. Four significant, progressive phases of this relationship are:

1. The LOST relationship—"The son of man is come to seek and to save that which was lost."
2. The LOVE relationship—"We love him because he first loved us."
3. The LIFE relationship—"I am come that they might have life . . ."
4. The LASTING* relationship"—and so shall we ever be with the Lord."

Mr. Froese, Margaret Ann, Mrs. Froese.

Water!

Food!

When Jesus Christ was among us, He impressed on us the importance of making the Message of Peace intelligible to our neighbours. The music department of the Winkler Bible School is assured that music, the "universal language," is a means of expression so potent that the world has yet to see what can be done through music in the work of the Kingdom. We sense the need for increased emphasis on integrity and purity of expression in church music.

God's revelation to man is profound and awe-inspiring. Our response, feeble though it be, must be as complete and as worthy as we are able to make it. In those areas of life's mystery where words fail us, music helps man to express the inexpressible.

"THAT I MAY WIN CHRIST." PHIL. 3:7-14

Following the example of Paul:

I MUST count loss for Christ the things that were gain to me — re-evaluate. v. 7

I MUST suffer the loss of all things— pay the price v. 8

I MUST do this one thing—forgetting the things behind— neither be discouraged nor satisfied with past achievements. vv. 12-13

I MUST reach forth unto the things which are before—have a clear vision. v. 13

I MUST press toward the mark— by the all sufficient and all enabling grace of God in view of the high calling. v. 14

Mr. and Mrs. H. Dyck

Rev. and Mrs. H. Lenzmann

Plato or Unger?

The Bible is the supreme instrument in the cultivation of the spiritual need of man. Behind every message there must be a man, and the primary function of the Bible for the teacher is to produce such a (student) man. The Bible mirrors our own lives. The best cure for empty professionalism is to keep close to the Bible. By keeping company with men like Isaiah, Micah, Daniel and Paul we move away from shallow impressionism to genuine Christian manhood which expresses deep soul struggle. We want to move in that direction as we continue to dwell habitually in the world of the Bible.

President's Message

Spring is rapidly approaching, and with it will come the termination of our studies at the Winkler Bible School. The years that we, the students of the third class, have spent here have passed very rapidly. We have experienced that what David writes in Psalm 34:8 "*O taste and see that the Lord is good, blessed is the man that trusteth in the Lord.*" We have tasted spiritual food. The Lord has been good to us, and our trust and faith in God has been strengthened. There are many reasons for our spiritual enrichment which we have received here. The Word of God in great extent has been taught to us; the many prayer meetings have been a great blessing to us; our daily chapel services where we often heard special speakers gave us the spiritual keynote of the day, and our teachers have influenced us to greater dedication and a closer walk with God.

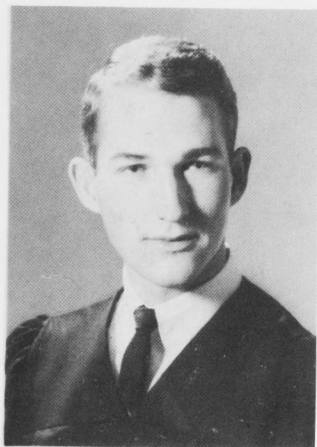

As third class graduates of the Winkler Bible School it is our prayer that we may be able to put into action that which we have learned here and that our class motto, *Christ liveth in me*" Galatians 2:20, may always be expressed to those people with whom we will come in contact in the future.

STUDENT COUNCIL

Front row, left to right: John Schroeder, Second Class President; Ernie Wiens, Assistant President; Anne Rempel, Secretary, First Class President; Ernie Epp, President; Walter Dick, Treasurer, Third Class President; David Hamm, Dormitory Dean.

Back row: John Thiessen, Christian Service Chairman; Linda Pauls, Dormitory Dean; Ingrid Goerz, Yearbook Editor; Rev. John Goossen, Principal; Hilda Fast, Literary Chairman; Mabel Enns, Music Chairman; Frank Koop, Recreation Chairman.

We, the Student Council, have experienced a year which has involved much work but also a great amount of satisfaction. *"But let every man prove his own work and then shall he have rejoicing in himself alone and not in another."* Galatians 6:4. This has been true of the Student Council.

The Student Council is composed of a representative from each committee, classroom, and dormitory, as well as a faculty advisor. In a united effort we have tried to promote various school activities and to provide a medium for closer student-teacher relations. One of the major concerns of the Student Council during this school year has been to draw up a constitution for the Student Association. This, together with other school functions, has kept us quite busy and I would like to say a personal thank you to each Council member for the time and effort which he or she has devoted to the work.

I trust that God has been able to use us during the year in promoting the physical and spiritual well-being of the students, and that as we lay down this responsibility which was entrusted to us, it can be with the clear knowledge that our service has honoured God.

President.

"Theology and music move hand in hand into time and will continue eternally to illustrate, embellish, enforce, impress, and fix in the mind the grand and great truth of Christianity."

In a school such as ours, the truth of this statement by Andrew Law is of vital importance. As we have served in our music department, the committee has endeavoured to produce music that would focus our attention on the great truth of Christianity.

Our specific duties have included arranging music for chapel and Christian Service, planning recitals, care of music, and aid to our director in producing "Gloria" by A. Vivaldi and "St. Luke Passion" by J. S. Bach. Our project for this year has been partial payment for our Baldwin organ.

There is music which glorifies art, music which glorifies the artist, and music which appeals to sentiment and emotion. Our desire has been to produce music to the glory of God. As Paul says in I Corinthians 14:15: "*I will sing with the spirit and I will sing with the mind also.*"

James 1:22 *"Be ye doers of the word."*

We as a committee thank God for the opportunity and privilege of being a witness and testimony to the community in the various aspects of practical Christian service. Various groups serve at the Bethel Hospital with singing and visitations. Singing groups also serve at the Salem Home in Winkler and in the Tabor Home in Morden. Fourteen of our students are also active in teaching seven Good News Clubs, sponsored by Child Evangelism Fellowship, three in Winkler, three in Morden and one in Valleyfield. Several of our students are again conducting two children's choirs in the village of Osterwick.

Our aim, this year, was to share with the community that which we have learned and it is our prayer that through all these activities someone has been drawn closer to Christ.

On behalf of the committee I would like to thank all the teachers and students who have helped us make this service a success. Special thanks to Doreen Heide, a former student, for her help at Osterwick.

Recreation Committee

Left to right: Mr. Howard Dyck, Staff Advisor; Ed Labun, Dorothy Penner, Frank Koop, Chairman; David Martens.

This year, we, as recreation and social committee have endeavoured to encourage a wholesome recreational and social programme within our school.

Events which proved to be of interest this year were the annual football game played against Elim Bible School, a scavenger hunt which was followed by an evening of skits, and several skating parties which were held during the winter months.

Competitive sports were also encouraged; these consisted of curling in the local curling rink, hockey on our own rink and a ping-pong tournament which was held in school.

It is our desire that as a result of the various activities that have taken place we may have been drawn closer together as students and also have been strengthened spiritually.

Frank Koop,
Chairman.

Library Committee

Left to right: Dorothy Penner, Chairman; Rev. John Unger, Staff Advisor; Ken Langeman, Elma Reimer, Helen Hiebert, Ernie Wiens, Class Representatives.

This year the library was a scene of much activity as a complete change-over to the dewey decimal system was effected. We feel that with this system the library will be much more efficient. We wish to express our sincere thanks to Rev. and Mrs. John Unger for the time and effort sacrificed in establishing this new system.

At present the library consists of approximately 1,250 volumes with new books being added. The librarians are kept busy helping students find the required books and information, checking out books, returning books to the shelves and keeping order in the library.

We hope that in future years the library will be expanded and that students will derive much benefit from it.

Lord, I'm yours now:

It took me long to see
Your perfect plan and will
Were meant for me.
I was slow to grasp
Your demand for me
To do a special task.
And when I saw,
I could not give back
To You, my life, my all.
You gave me talent
Yet I wished to hoard it in
This treasure chest of mine.
I could not leave
It held me back
'Twas my ideal.
I knew my way
My plan was complete,
But Yours?

Until You used an instrument
Of humble crumbling clay,
You spoke, through man
"Let go, my child,
You cannot go alone
To face the foes of life.
Your talent will not satisfy
Desires for things above
Unless, unless, my child,
You hand it back to me,
And let me take control.
Lord, I'm Yours now!
I'll let You take control,
I'm slow to realize
That I must be Yours alone!
But finally You taught me
Finally I learned,
And now I give to You, Lord,
All I am and have.
Though CHANGE unparalleled
Shall confuse mankind,
And unsettle all that's settled;
In WITNESS unashamed
Your power will aid
To bear the news;
To TRIUMPH unquestioned
I'll rely on You,
Your strength is mine!
